## **THE HAWAII JUSTICE FOUNDATION 2024 ANNUAL REPORT**

**The Hawaii Justice Foundation (HJF) is currently in its best financial shape it has ever been.** The recent increase in interest rates has enabled HJF to rebuild its reserves while continuing to provide significant IOLTA grants. HJF has a strong team with its Board, officers, auditors, accountants, and management. HJF has deep and positive relationships with the Judiciary, legal service providers, IOLTA banks, HSBA, School of Law, and the general legal community. HJF is stable financially and in its management, which enables HJF to continue with our mission of working to achieve greater access to justice for Hawaii’s economically challenged. Below are described the major grant activities of HJF.

**The Interest on Lawyer Trust Accounts (IOLTA) Interest Rates.** HJF’s primary source of income is through the Interest on Lawyer Trust Accounts (IOLTA) Program. The amount of income from IOLTA varies directly with interest rates. These rates dropped precipitously with COVID, but in recent months the rates have increased dramatically. This has significantly increased HJF’s income from this vital income stream. Grant awards distributed through IOLTA in recent years are: 2005, \$70,000; 2006, \$155,000; 2007, \$278,000; 2008, \$410,000; 2009, \$345,000; 2010, \$175,000; 2011, \$152,050; 2012 \$124,650; 2013 \$104,000; 2014 \$100,000; 2015 \$125,000; 2016 \$155,000; 2017 \$207,500; 2018 \$362,500; 2019 \$725,000; 2020 \$660,000; 2021 \$658,500; 2022 \$662,500; 2023 \$1,728,000; and 2024 \$2,389,760.

**The Continuation of Funding through The Bretzlaff Foundation.** In addition to IOLTA grants, each year HJF distributes funds to the ten Bretzlaff grantees, with the amount depending on the current values in HJF’s Bretzlaff Endowment with Vanguard. In 2024, a total of \$135,000 was awarded.

**The Indigent Legal Assistance Fund (ILAF).** ILAF is a process where surcharges are collected on certain filing fees in the State of Hawaii Judicial System. These funds are retained by the Judiciary for distribution to qualified low-income service providers under the statutory formula. From the inception of ILAF, HJF has served as the ILAF Administrator. ILAF funds are distributed in cooperation with the Hawaii State Judiciary, the legal service providers, and HJF. In recent years, these sums have been \$1,000,000/year. Currently nine legal service grantees receive funds under ILAF. This is a critical part of funding for legal services, and the Legislature is to be commended for its creation of this valuable program.

**The Cades Foundation.** Each year in June, the Hawaii Access to Justice Commission hosts its Access to Justice Summit Conference held at the Richardson School of Law. The Cades Foundation has generously provided yearly financial support to HJF for this event. The Conference is always the yearly highlight of access to justice activities. The fourteenth annual conference was held in-person in June, 2024, with more than 250 people attending.

**Please be assured that HJF has sufficient operating income and reserves to ensure our continued ability to work for access to justice. We ask you to join with us in these efforts. Much work remains to be done to achieve the ideal and goal of achieving “justice for all.”**

The Indigent Legal Assistance Fund (ILAF) is a process where surcharges are collected on certain filing fees in the State of Hawaii Judicial System. These funds are retained by the Judiciary for distribution to qualified low-income service providers, with the Hawaii Justice Foundation acting as Administrator for these funds. ILAF funds are distributed in cooperation with the Hawaii State Judiciary, the low-income service providers, and HJF. ILAF is a critical part of funding for legal services. The Legislature is to be commended for its creation and support of this valuable program that is a partnership between the Judiciary, HJF, and the participating legal service providers. Currently nine legal service providers are receiving critical funding through ILAF.

The amount available in ILAF funds varies each year, depending upon the number of eligible cases filed and the rate of the surcharge. The ILAF program has seen significant growth from earlier years, due to the surcharge rate increase. In FY 2012-13, the amount distributed was \$472,039; for FY 2013-14 \$1,400,000; for FY 2014-15 \$1,425,000; for FY 2015-16 \$1,300,000; for FY 2016-17 \$1,000,000; for FY 2017-18 \$1,100,000; for FY 2018-19 \$1,000,000; for FY 2019-2020 \$1,000,000; for FY2020-21 \$1,000,000; FY2021-22 \$1,000,000; for FY 2022-23; FY 2023-24 \$1,000,000; and FY 2024-25 \$1,000,000.
